HILTON  
HALL

*We would like to take this opportunity to congratulate you on your engagement and thank you for considering Hilton Hall for your wedding celebration.*

*We will work alongside you, lending you our knowledge and experience, to create a truly memorable wedding day to remember for years to come.*

A woman in a traditional Indian wedding outfit, including a heavily embroidered red and gold lehenga and a matching blouse, stands in a doorway. She is wearing a white and gold headpiece and jewelry. The doorway is flanked by two large bouquets of white roses. The background is a dark interior, and the foreground is a light-colored floor.

*Built in the early 17th century, the estate stands in 25 acres of unspoilt parkland, woodland and lakeside area.*

*On the outskirts of Wolverhampton, this impressive Grade I listed building offers complete privacy and promises to be the perfect setting for your wedding. In addition to the main hall there are a collection of early Victorian outbuildings including a stable block with courtyard and clock tower.*

*There are two reception rooms within the main house, both of which are licensed for Civil Ceremonies or can be used for drinks receptions and canapes overlooking the lakeside.*

*For larger wedding receptions, our Marquee Pavilion is ideal for up to 650 guests. Boasting impressive chandeliers, a self contained bar and wash room facilities, it is the ideal backdrop to your Wedding Celebrations.*
